

FUTURE IMPERFECT

Call for Expressions of Interest

Natcon50 would like to invite expressions of interest for the exhibition 'Future Imperfect: Exploring the future from the past', to be held at Easter 2011 in Perth, Western Australia.

'Future Imperfect: Exploring the future from the past' will explore the way people have historically imagined our present. We are seeking aspiring and semi professional Australian artists to examine this theme in a tight body of work. In order to be considered, please submit 2-3 low resolution images of your current work that best represents you.

For successful applicants, the Natcon50 art show will provide an attractive space to display your works of art to members of Natcon50 and the general public at no cost. The exhibition will be promoted widely, and will provide you with the opportunity to sell your works. Natcon50 will collect a 10% commission on the sale of each item.

Submissions are invited for artists working in any media. Due to the exhibition space preference will be given to two dimensional pieces, however three dimensional works of art or other media will be considered.

Please send all queries and responses to the attention of Kate or Amanda at natcon50@gmail.com and ensure that your expressions of interest are lodged by 10 April 2010.
